

Exit assessment

Description	Participants participate in a simulation activity and develop an action plan template. The simulation takes place online, while participants work in breakout sessions.
Format	<p>Action Plan Template:</p> <ol style="list-style-type: none">1. Context<ul style="list-style-type: none">• Briefly describe your school community (e.g., type of school, size, demographics, any unique challenges related to disinformation).• State the overall goal of your action plan (e.g., "To build a school community that is resilient to the negative impacts of disinformation").2. Risk Assessment<ul style="list-style-type: none">• Identify Potential Disinformation Threats• Analyze Vulnerabilities: What factors make your school community particularly vulnerable to the negative impacts of disinformation?• Ecosystemic Approach: How might disinformation affect different groups within your school community (teachers, parents, students, school leaders) differently?3. Objectives<ul style="list-style-type: none">• List 3-5 specific, measurable, achievable, relevant, and time-bound objectives that will help you achieve your overall goal. Try to link these objectives with the school curricula.4. Strategies and Activities<ul style="list-style-type: none">• For each objective, describe the specific strategies and activities you will implement. Be sure to include activities for each stakeholder group:<ul style="list-style-type: none">○ Teachers: What specific actions will teachers take in the classroom, in professional development settings, and in their communication with parents? (e.g., lesson plans, workshops, communication protocols)○ Parents: How will the school engage parents in addressing disinformation? What information, resources, or training will be provided to them? (e.g., workshops, newsletters, online resources)○ School Leaders: What policies, procedures, or initiatives will school leaders implement at the school level? (e.g., crisis communication plan, partnerships with community organizations, professional development for staff)

	<ul style="list-style-type: none"> • Communication Plan: How will information about the action plan and its implementation be communicated to the school community? What communication channels will be used? • Material <p>5. Evaluation</p> <ul style="list-style-type: none"> • How will you measure the effectiveness of your action plan? <p>6. Timeline</p> <ul style="list-style-type: none"> • Provide a timeline for the implementation of your action plan, including key milestones and deadlines.
